## Team Self-Selection: January 12 to 13

A big part the Bike Rally is the team experience. The purpose of the team is to provide all riders access to helpful information about The Ride, opportunities to meet other participants and make contacts, and generally provide support for one another. Riders can self-select or be placed on one of 11 teams of up to 30 people. Teams are lead by seasoned Bike Rally Riders and teams will be diverse and include both new and seasoned riders.

Beginning on **Tuesday, January 12 at 12 noon and ending on Wednesday, January 13 at 5 p.m.**, registered Riders may self-select a team for Bike Rally 18 - up to 10 spots per team.

See the step-by-step instructions below to sign up for a team.

A few notes:

- Team self-selection is only needed if you have a specific team that you want to be part of (either because you know the Team Leaders or because you want to be on the same team as others you may know).
- If you don't self-register for a team, you will be assigned to one. Everyone is part of a team, whether self-selected or assigned, and will get full support and the opportunity to enjoy the team experience.
- 1-Day Riders! If you're a 1-Day Rider and would like to be on the same team as a 6-Day Rider - no problem! Simply choose the same Team Leaders. The 1-Day and 6-Day Rider listings for each team will appear separately, but rest assured you're on the same team!

If you have any questions about the team formation process, or any special requests, please [send us an email](#). We will try and accommodate your requests as much as possible.

Please refer to the list below for a complete list of Team Leaders and find out a bit about them on the [Team Leaders 2016 page](#) of the Bike Rally website.
