

Maximize Your Gift, Maximize Your Impact

Many companies have Social Responsibility programs that include Matching Gifts. The company will match the amount of your donation to a registered charity and sometimes they may give more!

Have you checked with your employer as to whether they have a Matching Gift program?
Do your co-workers sponsor you?

If you work at any of the companies below, you may be able to double your fundraising efforts and double the impact. Don't see your company listed, speak with your manager and find out if they have a Matching Gift program.
